

## Alpha Lotion

### ▼ This medicated lotion is for women who have problem about chloasma!

Chloasma is one of spots which women who are around 30-40 years old symmetrically have on their cheek bones or temples.

This lotion is for people didn't have good effect with other products for spots protection. You will get beautiful and clear skin!

### ▼ How to use Alpha Lotion

After washing your face, apply this lotion on your palm or cosmetic cotton and massage with lotion.
