

## Buhna Cerepair

### ▼ What is Buhna Cerepair?

It is made from high concentration gel and silk fibroin which contains amino acid organization that similar to human's skin. The high concentration gel is like kind of film and is usually used as artificial skin in reproductive medical field.

As a cosmetic material, the high concentration gel goes along very well with the character of silk fibroin.

### ▼ How to use

After washing face, take some lotion and spread on particular parts where you care about gently.

Order of use: Washing face → Buhna Cerepair → Lotion → Finish (milky lotion or cream)
