

Buhna Poasara Keep Powder

▼ Prevention against oily face and remarkable spots!

Sebum secretes too much and opened spots spoil your make-up condition.

AJIDEW is an ingredient you already have as a moisturizing ingredient.

AJINOMOTO succeeded in developing AJIDEW as ingredients which works on secretion of sebum through experiment!!

This mechanism prevents testosterone, one of male hormones from becoming DHT which works on sebum.

▼ How to use Buhna Poasara Keep Powder

Apply Buhna Poasara Keep Powder gently from your cheek to temple.

You can make up very well if you fold your puff when you apply this powder on details like your nostril and your eye. You can use Buhna Poasara Keep Powder after using liquid-type foundation.
