### ▼ Great quality Pueraria mirifica combined with Super flavonoids!

What's the Pueraria mirifica?

The Pueraria mirifica is one of legend foods which is eaten as rejuvenation and longevity medicine by Hmong in Thailand a long time ago. Recent years, it was getting famous as a natural ingredient to get beautiful breast and skin, but now it's prohibition to exportation in Thailand because it's in crisis of extinction because of overfishing.

The surprisingly effects of Pueraria mirifica is written in a literature.

"Most of women can feel the effect of bust-up or beautiful skin in a week to 10 days, and also A medical institution reported that the symptoms of menopause is surprisingly abated by Pueraria mirifica. These effects have been showed by Miroestrol only contained in Pueraria mirifica."
