

## Medical DEPI milk for men

### ▼ Micro hair removal milk is made in men's beauty salon

It is developed for those who have much and thick hair. And it really works! Micro milk gets into the root of pore and takes care of them. As it is coherent with hair roots, you can even use it when having a shower. Combined with Licorice extract and orange oil, it leaves you smooth skin.

### ▼ How to use

Take appropriate amount and spread evenly on skin where you want to remove hair. Please leave the cream on skin for 5 to 10 minutes. Wipe cream off with cotton or gauze. Please rinse skin with water after use.
