

## Tsuyakami straight gel

### ▼ What is Tsuyakami straight gel?

Puele Tsuyakami straight gel is succeeded in keeping inner hair water and protein by strengthening the quantity of cortex.

Puele Tsuyakami straight gel can strengthen the inner protein of cortex. Hair cross section can be fixed round as it is put a plaster cast.

By doing that, cortex is full of water and protein. It keeps the condition long.

At the same time, moist veil can protect the stimulation from outside such as air.

### ▼ How to use

According to the condition of hurt hair, the penetrability varies. Please add to the products according to the hair's condition.

Please add the amount of hair to apply the whole hair.

No wash type. Please do not apply too much on hair. It may hurt hair in reverse.

### ▼ Please refer to knowledge for a basal body temperature.
